GOVERNOR HUGH L. WHITE

Dear Friends,

It is a distinct honor to have this opportunity through the 1953 edition of the SOUTHERNER to greet the student body of Mississippi Southern College.

Mississippi Southern enjoys an academic standing among colleges of the nation which should make each of you proud to be carried on its rolls. Its phenomenal progress in recent years, its increased enrollment, and the healthy competitive spirit shown by both students and faculty are a tribute to the able leadership and sincere interest of everyone associated with this splendid institution. "Mississippians" are proud of Mississippi Southern College, and we are proud of our sons and daughters who are seeking the training which will make them the future leaders of this great and growing commonwealth.

May I take this opportunity to congratulate each and every one of you upon this occasion whether you are a member of the freshman class or whether you are leaving these halls of learning to launch upon careers. It is my hope that you may find a profitable and happy assignment in Mississippi and help carry out the development of this state. But, if destiny should dictate a more distant land, we know that you will carry with you a major share in Mississippi which we hope will make you a lifelong booster.

It is doubtful if the average Mississippi Southern College student appreciates the many, many hours of thought and toil which go into the making of the SOUTHERNER. There is the broad plan of the book, the countless problems involved in getting pictures, the art work, the advertising, getting the organizations and the athletic groups in line, and selecting paper, ink, binding material, and colors. After this comes the tiresome task of reading proof, of getting the engraving ready, and many last minute details. Long days and much late evening work is required of the editors and the business managers.

This 1952-53 SOUTHERNER, therefore, represents more than just a viewbook. It represents a part of the imagination and the ingenuity of Editor Damon Ball and Business Manager Meredith Burch and is their tribute to the spirit of Mississippi Southern College. Here you will find mementos of your friends and your college year. As time goes by, this volume will grow increasingly valuable. It will become a companion and a friend in future years—a kaleidoscope, as it were, of affctionate and happy days spent at Southern.

Congratulations, Damon and Meredith, and thanks from all of us for this worthy tribute to your Alma Mater!

THE STUDENT GOVERNMENT

The Student Council is the major legislative body of the student government. The council is composed of five elected officers, a representative elected by each class, dormitory, and organization. It is the responsibility of the student government to set its own policies, supervise all student activities, and allocate the funds of the organization.

Acting as a sounding board for student opinion, this year's committees worked on problems concerning the cafeteria, hospital, campus streets, Mardi Gras holiday, and an entire new system of student elections.

Student government leaders represented Southern at conferences held at the Universities of Mississippi and Miami. They were hosts of the Mississippi Intercollegiate Council's spring session.

Dances sponsored by the student council featured Ray Anthony and included the Sadie Hawkins' Day Dance, Beauty Ball, and several others following football games.

With "All-American" and "Medalist" still ringing in their ears, The Student Printz has kept the good work up this year.

Under the advisorship of Mr. Leo Muller, Executive Editor Clymer Wright and Business Manager Bob Hicks have conspired to present the best possible paper to the students.

Regardless of the fact that no paper can please all of the students every issue, the Student Printz has presented objective, impartial opinions and reports with amazing consistency. And besides giving students a weekly capsule of campus life, the paper has been an extensive good-will ambassador for the school in general.

Few students realize the long, weary hours that go into each issue. So to the executives and staff members who have worked tirelessly and often thanklessly, we say "thank you, gang, for the Student Printz—certainly, an "All-American" paper.

The 1953 SOUTHERNER staff.

The theme of the **1953 SOUTHERNER** is a quaint little character known as General Nat. It is hoped that you will like him. He was named in honor of General Nathan Bedford Forrest, a famous Confederate general who fought considerably in Mississippi during the Civil War. No doubt, he is already familiar to you for his courageous deeds and such fabulous remarks as, "The firstest with the mostest." He is indeed a "Southerner" in the truest sense of the word and sincerely wishes to be accepted by you as one here at Southern. Although his age is a bit more than that of the average student, he is still a spry old guy with quite a reputation for his courting, dancing, athletic, and academic abilities. Then too, he is a general and not a "Colonel."

In preparing the **1953 SOUTHERNER,** the staff and I have done our utmost to assemble for you a satisfactory pictoral survey of the 1952-53 session. All of the work that has gone into this book has been done with one final objective in mind—that of pleasing you, the students of Mississippi Southern College. It is my sincere hope that our work has not been done in vain.

It would be impossible for me to thank here all of the individuals who have made this publication possible, because they include not only the staff members but also each and every student and faculty member. However, I would like to extend my heartiest thanks for your cooperation, patience, interest, and, yes, even your criticism. Without these, I would not have had the incentive to put forth my best effort in preparing the **1953 SOUTHERNER.** I hope you will always treasure this book and the memories it contains.

The Yellow Jackets is an honorary men's service organization formed by the social fraternities and the student council to act as student hosts of campus guests and to assume responsibility for promoting the college traditions of friendliness, school loyalty, and student responsibility. The Yellow Jackets assist in the orientation of freshmen and of transfer students and also sponsor freshman day.

YELLOW JACKETS

CHEERLEADERS

The cheerleaders of 1952-53 were said to have outdone the performances of any such group in the history of Southern. They held numerous pep rallies in cooperation with the Yellow Jackets and band. Once or twice there were only a handful of students at these rallies, but this didn't dampen their spirits. Wherever the team went, the cheerleaders did also—even to El Paso. They were always there to help give the team that little extra push, hitting it with a "great exuberance." To Phyllis, Jerry, Joyce, Kay, Wallace, Buddy, Jimmy, and Merle, we say thanks for your tireless efforts and congratulations on a most magnificent performance throughout the year.

"Religious Emphasis Week," says Dr. Cook, "is the most important event in our calendar during each academic year." "It is a time set aside for the entire campus—students, faculty, staff—to stress religion and the vital role it plays in all of our lives."

With the assistance of the national University Christian Mission, the members of the Committee of One Hundred presented in January a well-rounded program of religious emphasis with eight outstanding speakers appearing for a week in classrooms, chapel services, seminars, local churches and clubs, and at bull sessions in fraternity houses and dormitories.

Passing in review

Upon seeing the precise marching and meticulous dress of **Southern's** Reserve Officers' Training Corps, a visitor to our campus remarked, "In my estimation, your ROTC unit is one of the best in the nation, and I have seen a lot of them. You should be very proud of it." Perhaps this visitor did not realize that **Southern** Students do have much admiration for the men in ROTC and their commander, Lt. Col. Harrison Finlayson, and his staff. The reputation they have made and maintained in the past three years is an enviable one.

An Artillery Unit, Reserve Officers' Training Corps, was activated in July, 1950, at **Southern.** Its primary objective was to provide systematic military training for the purpose of qualifying selected students as reserve officers. To obtain this objective, methods designed to fit men physically, mentally, and morally for pursuits of peace as well as pursuits of war, were employed.

In 1950-51, cadets enrolled in ROTC numbered 170. The following year, enrollment increased to 232. Thirty cadets attended ROTC summer camp for six weeks during the summer of 1952 at Fort Sill, Oklahoma. There were thirty graduates of ROTC in 1952. Of this number, four became commisssioned in the regular army.

Distinguished Military Students selected during the 1951-52 school year were Jimmy Brashier, Tolbert Daniels, Leroy Stevenson, Horace Ryan, Rossie Rankin, Jim Roy Webb, and Bidwell Owens. Recipients of the outstanding cadet awards were: Thomas E. Hilley, senior; Leroy P. Stevenson and Jim Roy Webb, juniors; William L. Sconiers and Jay W. Woodbeck, sophomores, and Chester M. Baker, freshman. For academic achievement in the senior class, Thomas E. Walters was presented the Artillery Award.

An annual social affair of ROTC is the Military Ball at which time battalion and battery sponsors are announced. Joyce Samples was selected as battalion sponsor in 1951-52.

DRUM MAJOR ANTHONY JIMINEZ

The MSC Band of 1952-53 had an outstanding record of service to the college and the state. It lent color and atmosphere to athletic and community events, and also promoted and enhanced the dignity and reputation of the college. It formed an integral part of college life and was recognized as one of the largest and best in the nation. Without a doubt the 1952-53 band surpassed all others in Southern's history. Director Raymond Mannoni is to be congratulated for the band's brilliant performances and musical accomplishments. For his third year, Drum Major Anthony Jiminez exhibited the talent and leadership that has made him well-known throughout the state and South.

Composed of students chosen by audition, the vesper choir makes two annual tours, one at Christmas to present Handel's "The Messiah" and another during the spring. Under the able direction of Frank Earl Marsh, Jr., head of the Fine Arts Division, this group maintained the fine reputation it has achieved over the years throughout the South. Last year, the group was honored with a weekly, nationwide broadcast over the Liberty Broadcasting System, bringing well-deserved recognition to themselves and to Southern. As in the past, congratulations are due this fine group for their outstanding services.

From Hammelburg to Hattiesburg, that's the story of "Southern Exposure" M.S.C.'s new humor, general interest magazine which made its debut on the Southern campus in September 1952. Actually, however, the first issue of the magazine was planned and prepared in detail 4,500 miles from the Southern campus at Hammelburg, Germany, where the present editor and business manager were stationed with the U. S. Army.

On its modernistic cover designed by Becky Tatum, M.S.C. '51, "Southern Exposure" features monthly a photograph of an outstanding M.S.C. coed. Regular features are its editorial page, special events, sports, fashion and records columns. "Southern Exposure's" jokes and cartoons have already become an institution at Southern and are read avidly by a growing number of Mississippi's senior and junior college students.

The Southern Players, presenting two major productions and twelve one-act plays, have made a definite contribution to the entertainment side of the student life. They opened their season with the three-act drama, **The Silver Cord,** then moved to the new Southern Playhouse for the annual Experimental Theatre series and twelve student directed one-act plays. Their final major production was Ruth Gordan's comedy, **Years Ago.**

DIRECTOR FRANK LEWIS

Certainly, the Radio Workshop may be considered as one of Southern's outstanding activities. Their many and varied programs, some of them with the cooperation of WFOR, were considered by many as being equal to those of professional status. Not only were they most enjoyable and interesting but also did they contribute greatly to public relations. This year, the students of the workshop under the energetic guidance of Director Frank Lewis launched a drive to establish a radio station on the campus. To raise the money they raffled off a television set and staged a variety show, which was one of the entertainment highlights of the year. To the students of the workshop and their director we wish you continued success in your project and activities.

To Establish Rec

"Pre-registration for the winter quarter will undoubtedly establish a record since there are already 1302 students registered for next quarter with freshmen still electing courses this week," stated Mr. O. N. Darby, registrar.

Mr. Darby declared that this was a marked increase over previous years when the highest number recorded was 1319 at the completion of the pre-registration period. It is estimated that the present number will rise to approximately 1500 by the end of this week.

A breakdown of the tabulations reveals that there are 407 seniors pre-registered, 378 juniors, 293 sophomores and 225 freshmen listed at the beginning of the week.

No cards will be accepted after November 17, and all remaining students will have to go through the regular registration process at the field house on December 1.

KAPPA SIGMA

"Yessum, that's right, we've come heah to stay," was the reply of a young Southern gentleman back on December 11, 1948, when asked if the Kappa Sigma's had really moved into the "Ole Sigma" colonial home.

The Kappa Sigmas joined in the Southern spirit and took part in student government, Pi Tau, Alpha Psi Omega, Delta Sigma Pi, Student Christian Federation, Choir, F.T.A., and student publications. Ed Akers was named to the Hall of Fame.

Entertaining, a pleasure to all Southerners, was not overlooked by the Sigs and in the spring every Kappa Sigma might be seen proudly wearing his colors—scarlet, white, and green—and Waltzing his lady love 'neath the Star and Crescent.

ALPHA TAU OMEGA

The Alpha Tau Omega gentlemen are quite often found seated in front of their fireplace in their southern pine paneled lounge reminiscing about the time when they came onto the campus on November 19, 1949. They found the Southern climate and friendly spirit much to their liking and took up residence in their typical Southern home. On the campus the Alpha Taus quickly made a name for themselves in Pi Tau, Pi Kappa Delta, Pi Kappa Pi, student government, student publications, Delta Sigma Pi, Alpha Psi Omega, varsity sports, Kappa Pi, "M" Club, and band. Elmo Lang was elected Mr. M.S.C. and Cliff Thomas was placed in the Hall of Fame.

The Alpha Taus entertain in true Southern style throughout the year and in the early spring announce their lovely sweetheart at their annual Orchid Ball.

PI KAPPA ALPHA

December 10, 1949, found the Pi Kappa Alpha men occupying the last plantation home on fraternity circle. The gentlemen and young lady folk were right proud to see the Pikes because they added so much to the extracurricula activities by participating in Pi Tau, band, student publications, choir, varsity sports, and "M" club.

Every little ole Southern belle's heart was aflutter when she received an invitation to the long awaited Dream Girl Ball. Other social highlights for the Pikes are pledge swaps, hay rides, and various other parties.

For the next ten games, the Southerners found the grass a little greener as they went defeatless.

On September 26, the Southerners opened on the home front beating the Memphis State Tigers 27-20 before 10,000 partisan fans. This game was won only in the fourth quarter by a McElroy touchdown. McElroy opened Southern's scoring in the first stanza on a 71-yard run which started from a line buck. Only minutes later Pepper accounted for another tally on a 66-yard dash. The University of Tampa had a hapless group of footballers October 3, as they were beaten by the Southerners 52-25 on their home field. Tony Rouchon, a Pensacola, Florida product, rambled for three TD's. Pepper got two, while McElroy, Jarrell and McKellar scored one each in the easy victory. The Tampa aggregation put up a strong battle in the first half but weakened in the second half. An unusual event took place in this game. Ed McDaniels, MSC defensive guard, jumped off the bench and tackled a Tampa back as he was going 85 yards for touchdown. An argument followed, with the officials giving Tampa a touchdown.

Southern's potent offensive team continued to roll October 11 as it compiled 421 yards in a 32-12 victory over Southwestern Louisiana Institute on Faulkner Field. McElroy bucked around end 51 yards in the first stanza for first blood. Jarrell added another six-pointer in the second frame, traveling 30 yards on his favorite, the "bootleg". Rouchon concluded Southern's first half scoring with a 10-yard jaunt into the end zone. Pepper and Posey ended the night's scoring with TD plunges for four and two yards.

Jarrell tossed for two scores and Pepper ran for another to win a hard fought victory, 20-12,

over Southeastern Louisiana. On the kickoff, following a Southeastern touchdown, Pepper scored behind outstanding blocking. Bob McKellar scored on a Jarrell pass from the opponent's 48-yard line. Elmo Lang on another pass from Jarrell which carried 25 yards.

Southern's hard charging defense throttled a powerful University of Chattanooga offensive team, led by Little All-American Hal Ledyard, to win 27-14 over the highly rated Moccasins, concluding MSC's annual Homecoming activities.

Pepper opened the Southern scoring with a 64 yard sprint to tie the score after Ledyard had scored from the one-yard line. Shortly afterwards McElroy scored twice within three minutes. He punched over from the three and then rambled 48 yards for the second tally behind superb blocking. Later in the third quarter, Brumfield tackled Ledyard in the Moccasin end zone for two points. Milton White, defensive safety, iced the contest in the fourth stanza with a 47-yard punt return for the winning touchdown.

On November 15, before 10,000 fans who were entertained at halftime by 15 state bands, Southern defeated Louisiana Tech 52-0 on Faulkner Field. Jarrell tossed TD passes to Lang, McKellar, Rouchon and McElroy, followed by Da-

Southern closed out regular season play November 28 with a 42-0 conquest of the Stetson Hatters on Faulkner Field. Midway of the first stanza Rouchon scored with a 68-yard sprint, followed by scores by Pepper, Posey, McKellar and two by McElroy.

Three fumbles tell the story of Southern's 26-6 defeat by College of Pacific in MSC's first bowl game, the Sun Bowl classic. "Cowboy" McCormick raced 73 yards for the opening score. Late in the first quarter the black and gold fumbled on their 30 and Quarterback Ottoson passed to Berndt for the second COP score. McCormick crashed over for his third and COP's final tally after they recovered a Southern fumble on MSC's 20.

Southern, hampered by McElroy's absence because of a crippled ankle, scored in the waning minutes on a 71-yard march. Pepper, Rouchon, and Jarrell carried the brunt of the charge with Pepper going over from the two.

Bucky McElroy made Paul Williamson's mid-bracket first string All-American offensive team. Laurin Pepper and Jackson Brumfield were honorably mentioned on Williamson's team.

After the graduation of Webb Farrish, Southern was without an extra point kicker. Coach Vann experimented with several men at this position and the competition narrowed down to two men, Davenport and McElroy. McElroy kicked 22 during the season and Davenport booted 15.

Laurin Pepper was the leading ground gainer for the Southerners during the 1952 season. In 11 games he gained 1191 yards in 144 attempts for a 8.2 average. Bucky McElroy, although he played in only ten games, was second highest with 1069 in 170 tries for a 6.28 average. Tony Rouchon ground out 642 yards on 98 attempts for a 6.34 average, while Bobby Posey, in 62 tries, ran up a total of 402 yards for a 6.58.

The 1952-53 basketball squad capped the greatest cage season in Southern's history with its sensational play in gaining the quarter-final round of the NAIA tournament in Kansas City. The high-scoring Southerners compiled an outstanding season's record of 27 wins and 8 defeats, and bowed out of the Kansas City tourney only after putting on some of the best basketball exhibitions of the tournament.

Coach Lee Floyd's cagers were led by five seniors who ended their collegiate playing days in fine style. Billy Allgood, Tom Bishop, Jeep Clark, Jack Gallagher, and Roger Sorenson were bulwarks of the Southern squad for several seasons.

AND REACH THE QUARTER FINALS IN NAIA

Tom Bishop along with junior Nick Revon captured most of the individual honors for the year. Revon topped the Southerners in the scoring column with a total of 511 points in 35 games. The Southerners' top scorer received the honorable mention All-America from Collier's National Association of Basketball Coaches. Bishop had the best scoring average on the squad with a 15.2 points per game mark. His 472 total points left him 68 shy of 2,000 points in his four seasons of basketball at Southern. Bishop ended the year with a great 33 point effort in the season's final against Hamline.

The Southerners, enroute to their banner season, defeated such big-time cage powers as Western Michigan, Alabama, Loyola of the South, Valparaiso, Southwest Mis-

souri, and Memphis State. Four of the eight losses came on a disastrous 3000-mile road trip during which the flu-ridden Floydmen played five tough games in seven days. It is interesting to note that the Southerners never lost a home game. Undoubtedly this was partly due to the enthusiastic support given them by the spectators.

After Southwestern upset the Southerners in their second game, Coach Floyd's charges ran up 12 straight victories. Included in the streak was an impressive 77-61 win over Western Michigan's mighty Broncos. The Michigan club was fresh from a 15-point victory over Northwestern of the Big Ten before running into the high-scoring Southerners.

The Southerners also turned in impressive performances later in the season against Loyola in New Orleans and against Memphis State in Jackson. They also gained revenge for earlier defeats by romping over Louisiana Tech, Northwestern, and Southwestern in the Southern Field House.

The Black and Gold cagers gained the right to play in Kansas City by defeating Troy State and Delta State in the District NAIA playoffs.

In three games at Kansas City the Southerners tallied an amazing total of 294 points. Their first win was a 106-72 romp over River Falls, Wisconsin State Teachers. The Floydmen ran up 94 more points in defeating Loyola of Baltimore. The Pied Pipers of Hamline finally stopped the Southern squad in an exciting 102-92 game. Southwest Missouri, a club the Southerners defeated earlier

in the year, went on to take the championship of the tournament by beating Hamline in the final game.

Other than the five seniors and Revon, Mickey Harrington and Mutt Watts provided most of the scoring punch and rebounding power for the Southerners. John O'Keefe and Bobby Weathers along with Vaughn Jones and Russ Hunley proved to be valuable reserves and gave Coach Floyd exceptional depth on his squad.

To the members of the 1952-53 basketball squad and their coach, Lee Floyd, we would like to say, "thanks." Thanks for the thrills and excitement you provided us such as the eight-minute "deep freeze" against Northwestern and the many last quarter comebacks. Thanks for the sportsmanship you exhibited on and off the rectangles. And, thanks for your determination to broaden and build the reputation of Southern.

GOLF TEAM PLACES THIRD IN G. S. C.

The 1952 Southern Golf Team and its able coach, B. O. Van Hook, placed third in the Gulf States Golf Tournament, although they had a better team score in that tournament than they had in 1951 when they copped the Gulf States Conference Championship. No doubt, the competition was much keener. Spring Hill and Louisiana Tech edged out the Southerners to win first and second places respectively. In individual matches during 1952, the Southern golfers lost only to Spring Hill. They broke even with the Pensacola Naval Air Station and the Pensacola Country Club and won over Southeastern Louisiana College and the Laurel Country Club.

Prospects for the 1953 season are bright. "Scotty" Burns and Cecil Williams, numbers one and two men respectively, are veterans of two seasons and are expected to pace the team along with Jimmy Mitcherson and Stewart Love.

Southern's 1952 tennis team, including six players and coached by Bartis Harper, captured second place in the Gulf States Conference and fourth in the Mississippi State Tournament.

Composed of Stanley Bessey, Ralph Stewart, Leonard Duff, Jimmy Beech, Vaughn Jones and Wendell Varver, the MSC squad, participating in four GSC meets, lost twice to Loyola of New Orleans (7-0, 6-1) and won twice over Springhill (5-2, 5-2). Vaughn Jones won in No. 5 singles.

Duff won No. 6 singles while Beech and Stewart won No. 2 doubles in clinching fourth place in the State tourney.

GOLF TEAM PLACES THIRD IN G. S. C.

The 1952 Southern Golf Team and its able coach, B. O. Van Hook, placed third in the Gulf States Golf Tournament, although they had a better team score in that tournament than they had in 1951 when they copped the Gulf States Conference Championship. No doubt, the competition was much keener. Spring Hill and Louisiana Tech edged out the Southerners to win first and second places respectively. In individual matches during 1952, the Southern golfers lost only to Spring Hill. They broke even with the Pensacola Naval Air Station and the Pensacola Country Club and won over Southeastern Louisiana College and the Laurel Country Club.

Prospects for the 1953 season are bright. "Scotty" Burns and Cecil Williams, numbers one and two men respectively, are veterans of two seasons and are expected to pace the team along with Jimmy Mitcherson and Stewart Love.

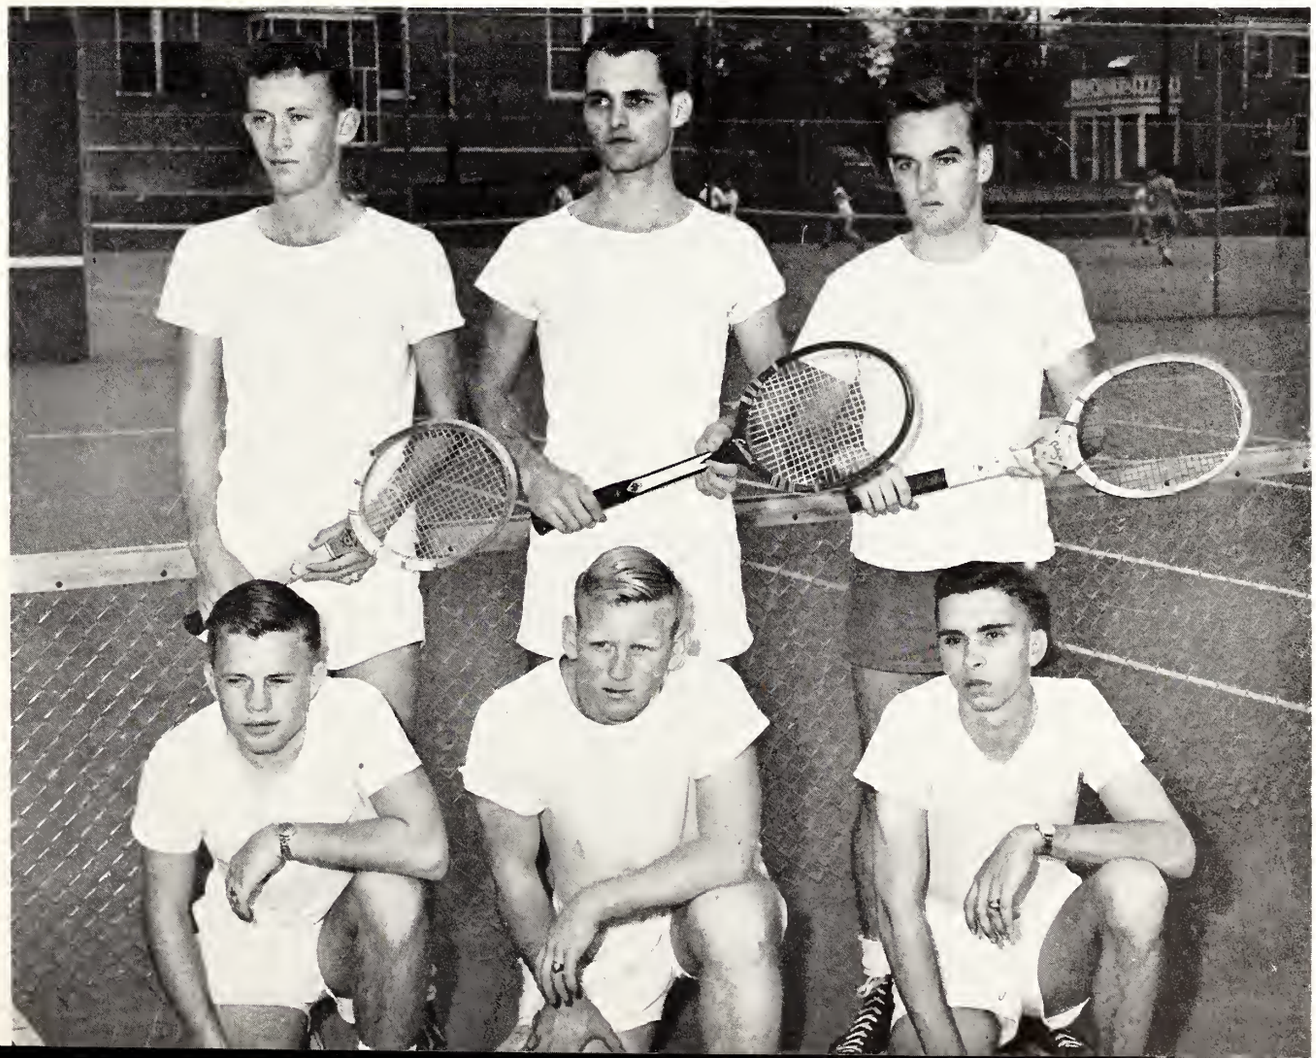
Southern's 1952 tennis team, including six players and coached by Bartis Harper, captured second place in the Gulf States Conference and fourth in the Mississippi State Tournament.

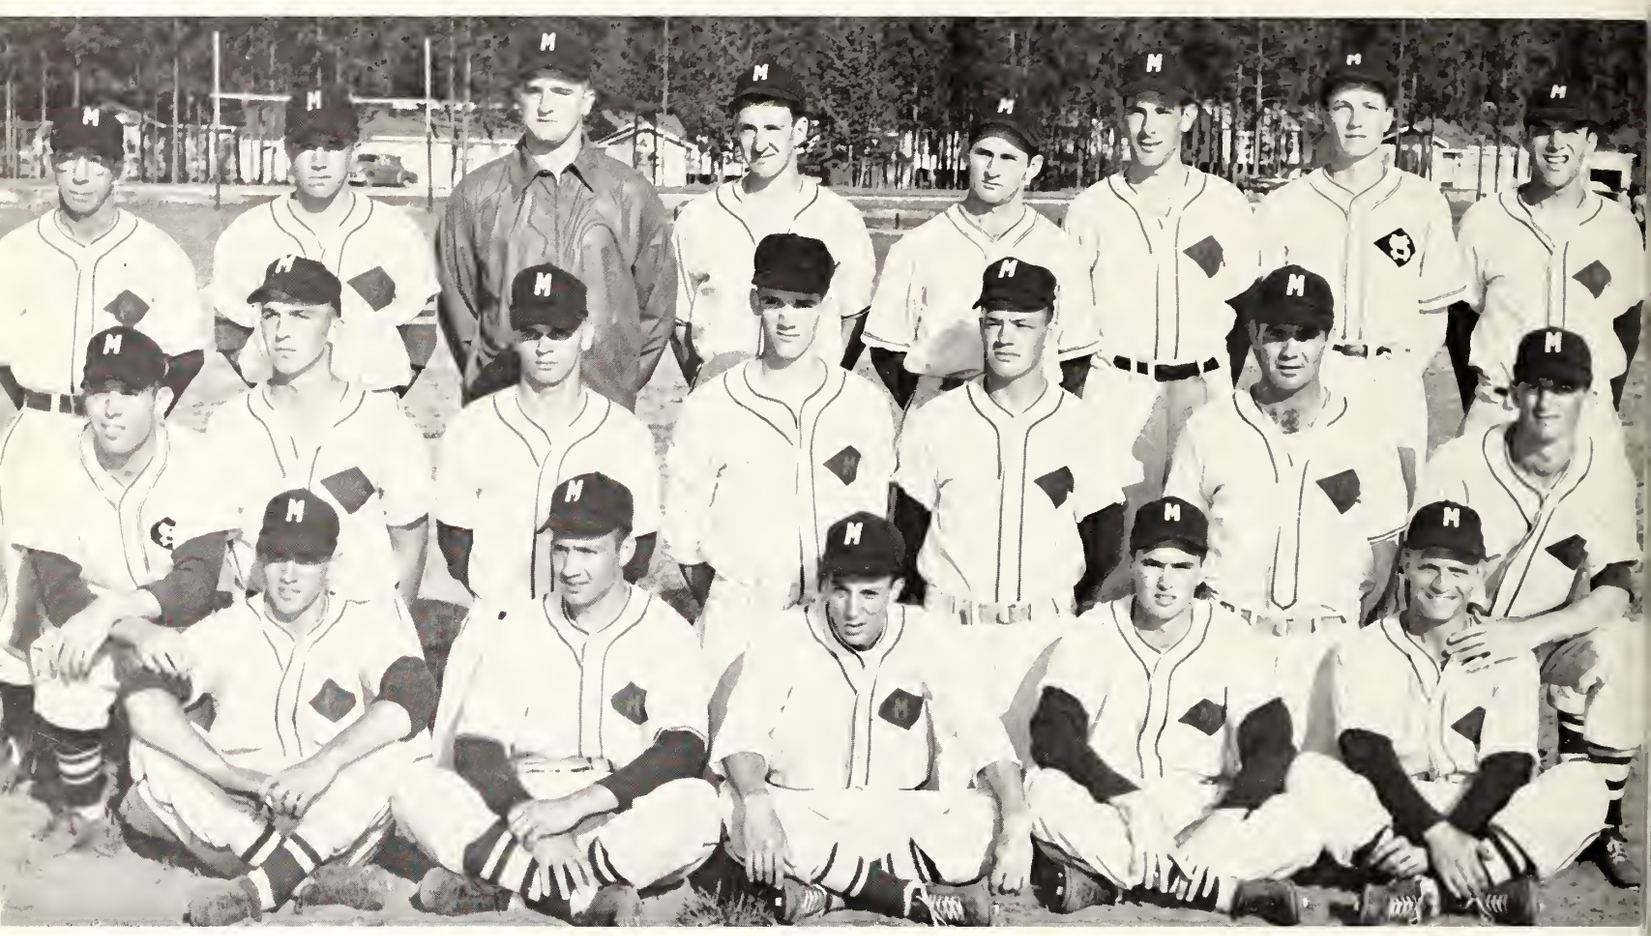
Composed of Stanley Bessey, Ralph Stewart, Leonard Duff, Jimmy Beech, Vaughn Jones and Wendell Varver, the MSC squad, participating in four GSC meets, lost twice to Loyola of New Orleans (7-0, 6-1) and won twice over Springhill (5-2, 5-2). Vaughn Jones won in No. 5 singles.

Duff won No. 6 singles while Beech and Stewart won No. 2 doubles in clinching fourth place in the State tourney.

TENNIS TEAM IS TOPS TOO

Kneeling: Leonard Duff, Jimmy Beech, Wyndell Varner. Standing: Ralph Stewart, Stanley Bessey, Jerry Felkins.





First Row: Davenport, White, Revon, Clark, Walker. Second Row: Poole, Waters, McHenry, Harrington, Mitcherson, McNair, Allgood. Third Row: Coach Stuart, Wagner, Assistant Coach LeGros, Robinson, Padgett, Moss, Bilbo, Gallagher.

BASEBALL TEAM HAS 9-6 RECORD

The 1952 season was an up and down one for Coach Clyde "Heifer" Stuart's baseball squad. However by the end of the year the Southerners had posted a nine won, six lost record.

Coach Stuart's '52 squad proved to be a hard-hitting ball club led by a trio of freshmen batting stars. James Davenport, Hub Waters, and Mickey Harrington finished 1,2,3, in the batting department. Davenport topped Waters' .351 effort with a .354 mark of his own. Harrington compiled a .338 season's average.

The Southerners opened the season with professional competition and found the minor league clubs to their liking. Southern split a pair of early season games with the Meridian Millers. The Millers went on to capture the '52 pennant in the Cotton States League. M.S.C. captured single decisions from Joplin, Missouri of the Class C Western Association, and from Quincy, Illinois of the Class B Three-Eye League.

Moving into Gulf States Conference competition the Black and Gold Diamondmen met Spring Hill and Southeastern in a four-game series. The Southerners whipped both G.S.C. foes three out of four times.

However Loyola's tough eastern division champions handed the Hattiesburg squad three successive setbacks. All three games were tight but Southern dropped 7-5, 7-6, and 2-1 decisions.

In addition to Davenport, Harrington, and Waters, two other Southern regulars topped the .300 mark for the season. Jack Gallagher posted a .317 average and Jeep Clark banged out a .316 total.

Freshman Davenport also topped the team in hits and runs batted in. The frosh infielder knocked home 17 runs and hit safely 22 times. Harrington finished second in the R.B.I. department with 15. Catcher David Lee Walker followed with an even dozen. Milton White and Hub Waters each drove 10 tallies home.

In the pitching department it was Nick Revon, regular third baseman, who compiled the best won-lost record. Revon was credited with three wins and was not charged with a single defeat. Jimmie Mitcherson marked up two wins and one loss before a sore arm side-lined him in midseason.

Harold Moss and Joe McNair, who did much of the hurling in the latter part of the season, hung up 3-3 and 1-1 records respectively. McNair was particularly effective in relief duties. Scotty Byrne worked the season's final against Loyola and hurled a seven-hitter at the Wolfpack but dropped a tough 2-1 decision.

GYMNASTICS GAINS SPOTLIGHT

After a layoff of several years, Mississippi Southern again fielded a gymnastic team. The squad composed of five members and coached by Dr. Lloyd Milam, participated in two gymnastic meets; the tri-state meet which was held in the Southern field house April 10, and the Southern Amateur Athletic Union meet held in New Orleans April 25 and sponsored by the New Orleans Athletic Club.

In the tri-state meet, competing against Florida State, National AAU champions in 1951, and Northwestern Louisiana, the Southern team, composed of Ed Cook, Doug Ferguson, Tom Gipson, Russell Sanford and Gene Perkins, came in third.

Cook captured third place in the tri-state parallel bar event, while Ferguson placed in the parallel bars, long horse, tumbling and trampoline events. Gipson took second place in the rope climbing event although weak from a bout with the flu. Gene Perkins was the leading Southern point maker with a first in the flying rings and a second in the parallel bars.

The outstanding contribution by Southern in the New Orleans meet was an unofficial record by Gipson in the rope climbing event. The record was not allowed because of a mix-up in the timings. Cook placed third in this meet in the horizontal bars. Ferguson placed in parallel bars, long horse, tumbling, and trampoline. Perkins won first place in the flying rings.

During the fall quarter of 1952, Gene Perkins captured second place in the Mr. Louisiana bodybuilding contest and first place in weight lifting in a meet held in New Orleans.

DUTY

Robert E. Lee once stated: "Duty is the sublimest word in our language. Do your duty in all things. You cannot do more, you should never wish to do less."

President Dwight D. Eisenhower needs the help of all freedom-loving citizens in his efforts to re-establish and preserve our individual competitive enterprise system and our republican form of government as set forth in the Declaration of Independence, our Constitution and the Bill of Rights.

General Dwight D. Eisenhower in his acceptance speech as a nominee of the Republican Party beseeched the prayers of all our people and the blessings and guidance of almighty God. Here then is one DUTY which should be ours—that is, we should, in our daily prayers, ask our Heavenly Father through His Virgin-born Son, Our Lord Jesus, to give to President Eisenhower and all those who represent us in governmental affairs Divine Guidance, blessing them with wisdom, strength and courage to perform their duties as servants of "We, the people of the United States."
